

# REGISTRATION INFO

Any students returning to the Oelwein School District can only be registered online through the Infinite Campus Parent Portal from July 27, 2021 - August 6, 2021. Log in to the Parent Portal and click 'Online Registration' at the bottom left of the screen to begin. If you do not have access to the internet, a computer or mobile device, or if you need extra assistance registering, please call the registration help line at 319-238-8895 between 8AM and noon.

New students or students not previously enrolled in Little Husky's Pre-K program can use the link on our website at <https://www.oelweinschools.com/parents/registration-information/>. Once you've completed registration for a new student, you will need to call the registration help line to have your Parent Portal account setup. Once you access your parent portal account, you will be able to pay your registration fees.

Activity passes and Driver's Ed classes are not paid for during registration. Call the high school office after August 3, 2021 at 319-283-3536, ext 2. A link to a list of school fees is provided on our website at the URL listed above.
